with GLITTER

YOU WILL
NEED:

GLUE,
SCISSORS,
MARKERS
&/OR
CRAYONS

Glitter ←
IS ←
MESSY.
Use
newspaper
where you
work.

1. CUT the butterfly out with the paper folded so that both sides are the same.
 2. Use markers or crayons to design the wings. Try to make both sides equal.
 3. Put glue where you want the 1st glitter color.
 4. Sprinkle the glitter on the glue.
 5. Shake off excess glitter; save it for later projects.
 6. Put glue where you want the 2nd glitter color.
- Repeat steps 4,5
