ORIGAMI

The Japanese art of PAPER FOLDING

from Rhonda Williams ART BECAUSE .com
WOMEN'S FEDERATION for WORLD PEACE (WFWP.org.)
Please post comments & art to ART BECAUSE LLC

You can make many things with origami. There are also videos online: origami videos which can guide you step by step

Shinichi Suzuki is also from Japan. He developed a method to teach young children violin. Often he gave homework: "Do something kind for someone. This will make your music more beautiful." We can cultivate a beautiful mind & heart by being kind to others.
