(BLACK SHARPIE IS BEST)

DRAW FACES OF
PEOPLE FROM ALL OVER
the WORLD. ♡

THE
FAMILY IS THE SCHOOL
OF LOVE.

No matter how difficult our life may be, there is always someone whose life situation is more difficult. The compassion plate is to remember that every second a person dies from hunger... 25,000 people a day... 9.1 million a year. You can set this plate at your table to remember them.

AWARENESS & COMPASSION are the first steps to solving a problem.
